Programación Python para Machine Learning

Lección 10: Modelos de Ensemble.

RECURSOS

Bagging on Low Variance Models

https://towardsdatascience.com/bagging-on-low-variance-models-38d3c70259db

Understanding AdaBoost

https://towardsdatascience.com/understanding-adaboost-2f94f22d5bfe

What is the difference between Bagging and Boosting?

https://quantdare.com/what-is-the-difference-between-bagging-and-boosting/

Advanced Ensemble Learning technique – Stacking and its Variants

https://www.analyticsvidhya.com/blog/2021/03/advanced-ensemble-learning-technique-stacking-and-its-variants/

A Practical Guide to Stacking Using Scikit-Learn

https://towardsdatascience.com/a-practical-guide-to-stacking-using-scikit-learn-91e8d021863d
